

6h Volunteer: Choosing this option means we put you in a groupchat where the board will keep you informed of the volunteering opportunities. These can include: helping out during the home Sundays, being a linesman or referee, working at festivals, or during our very own BART tournament ! If you choose this option you have to volunteer at least 6h during the academic year.

Referee: Every Sunday we play matches and we need referees! A compensation of €15,- is paid to the referees for each match that they referee. If you choose this option you have to referee at least 3 matches during the academic year.

Activities: This committee helps the activities commissioner organize monthly events, canteen activities and of course the yearly members weekend. You can also help organize the INKOM of the following season. Being in this committee means we expect you to actively help out at at least one event, and be of general assistance during the others.

Black Redder: Help write, edit, or take photos for DBSV's own magazine: the Black Redder. Creative? If so, then this is definitely something for you! You will be working with the PR commissioner.

Sunday Funday: You help out the match secretary during Home Sundays. You'll help out with making the fields ready to play or to make sure each team has their half-time drinks ready on time, among other tasks !

B.A.R.T. : Each year DBSV organizes a big 7v7 tournament where football and parties have equal weight. The committee is the one who organizes everything for the big weekend in June. Check out the barttournament instagram page for more information.

Sponsoring Committee: You help the board find new sponsors for the club as well as keeping good relationships with the existing ones. DBSV wouldn't be able to exist without sponsors, so it's important we find new ones every year.

Audit Committee The audit committee is responsible for overseeing DBSVs finances. You will need to meet with DBSVs treasurer a few times throughout the year in order to go over the accounts, earnings and expenses of the club, and make sure that these are all in line. Attention: this committee has very limited spots.

Trainer/Coach: We are currently looking for a coach for team 5, so if you are a non-selection player interested in taking over this position, do let us know!
