

DBSV Committees for Volunteering Opportunities:

4h Volunteer: Choosing this option means we put you in a group chat where the board will keep you informed of the volunteering opportunities. These can include: helping out during the home Sundays, being a linesman or referee when they cannot do it, being chaperones during pub crawls, etc. If you choose this option you have to volunteer at least 4h during the academic year.

Activities: This committee helps the activities commissioner organize monthly events, canteen activities and of course the yearly members weekend. You can also help organize the INKOM of the following season. Being in this committee means we expect you to actively help out at, at least, one event and be of general assistance during the others.

The Media Committee: This committee has been created in substitution of our magazine Black Redder. We have moved on to Social Media, and you will be responsible for helping our own PR to come up with ideas for posts, take pictures, film videos for our ig page, take match interviews during home Sundays and any other creative ideas you can come up with!

B.A.R.T. : Each year DBSV organizes a big 7v7 tournament where football and parties have equal weight. The committee is the one who organizes everything for the big weekend in June. Check out the bart tournament instagram page for more information!

Referee: Every Sunday we play matches and we need referees! A compensation of €15,- is paid to the referees for each match that they referee. If you choose this option you have to referee at least 3 matches during the academic year.

Audit Committee The audit committee is responsible for overseeing DBSVs finances. You will need to meet with DBSVs treasurer a few times throughout the year in order to go over the accounts, earnings and expenses of the club, and make sure that these are all in line. Attention: this commiΣee has very limited spots.
